DRAFT AMENDMENTS.

Amendments to the Carbide of Calcium Rules.

In rule 8 of Part II of the said rules, for the second sentence the following shall be substituted:—

"Every application for such licence shall be in Form A in the Schedule, and where the applicant proposes to engage in the manufacture of acetylene gas, the generating apparatus to be used by the licensee, whether manufactured in British India or imported, shall not be made to work at a pressure exceeding 60 inches water column provided that if it be shown to the satisfaction of the licensing authority that a higher pressure is necessary in any generating apparatus and that such higher pressure may be used without danger, the licensing authority may, on the recommendation of the Chief Inspector of Explosives, allow the use of higher pressures up to a maximum of 250 inches water column on the condition that the apparatus is fitted with suitable safety devices.

Every apparatus, unless a metal label of instructions as to its operation is fixed to it, shall be accompanied by a card of instructions as to its operation. Such instructions shall be fully detailed and shall not presuppose any expert knowledge whatever on the part of the operator. The operating instructions when not fixed to the apparatus shall be kept constantly posted up in a place where it can conveniently be referred to by the attendant.

A generator operating at a higher pressure than 60 inches water column shall have clearly marked on it the water column pressure at which it works."

2. In condition 7 of Form B in the Schedule to the said rules, for clause (a) the following shall be substituted:—

"(a) The apparatus used, whether manufactured in British India or imported, shall not be made to work at a pressure exceeding 60 inches water column, except when the use of higher pressures is specially permitted under rule 8 of Part II."

MADRAS UNIVERSITY STUDENTS' INFORMATION BUREAU.

President: The Vice-Chancellor of the University of Madras (ex-officio).

Vice-President: The Director of Public Instruction (ex-officio).

Secretary: Mr. S. J. Theodore, Professor of Mental and Moral Science, Madras Christian College.

The main functions of the Bureau are—

(1) To furnish information and advice to Indians who contemplate going to England.

(2) To circulate in India to colleges and other institutions the educational, financial and social information, collected by the Bureau in London.

(3) To communicate with the Central Bureau on behalf of students before they start, or on behalf of their parents when they are in England.

Students of the Madras Presidency and of Native States whose colleges are affiliated to the Madras University, who contemplate going to England, and the relatives and friends of those who are going or are already gone, are invited to correspond with Mr. S. J. Theodore, Secretary to the Madras Bureau, Madras Christian College, Madras, from whom all necessary information can be obtained.

Letters from Madras students to the Educational Adviser in London or to other Educational authorities in Great Britain are forwarded to the Madras Secretary for disposal and much delay will therefore be saved by *direct* correspondence with the latter.

The covering letter with which the tender is to be submitted should be in the prescribed form obtainable from the office of the Executive Engineer, Godavari Western Division, Nidadavole.

3. (a) Each tender should be accompanied by an earnest money of Rs. 150 in cash which should be paid to the Executive Engineer, Godavari Western Division, Nidadavole, or to the Manager of his office either in person or through an agent of the tenderer or remitted by money order or remitted into a Government Treasury and the chalan to be submitted along with the tender.

(b) In the case of parties whose tenders are not accepted, the earnest money will be refunded by means of cheques only drawn on the sub-treasuries at Kovvur or Narasapur.

(c) The parties should make their own arrangements to have the cheques cashed.

4. The Executive Engineer, Godavari Western Division, will reserve for himself the right of rejecting all or any of the tenders without assigning any reasons for so doing.

5. As soon as the acceptance of the tender is notified, the successful tenderer will be required to deposit a further sum of Rs. 200 which, with the earnest money received, will be held as security for the due fulfilment of the contract.

6. The successful tenderer will also be required to sign an agreement in the proper departmental form for lump-sum contract for the due fulfilment of the contract.

7. Failure to comply with the conditions 5 and 6 above within fifteen days from the date of intimation of acceptance of the tender by the Executive Engineer will entail forfeiture of the earnest money.

8. It shall be the duty of the tenderer to make out a schedule of the quantities with the corresponding rates for each kind of work to be done and to quote a lump sum for which he will undertake to complete the whole work. This schedule should accompany his lump-sum tender, otherwise his tender will be rejected. On an application in writing, the tenderers will however be allowed to see the detailed schedule of quantities and abstract without prices prepared by this department and make use of them as they wish, it being clearly and definitely understood that this department accepts no responsibility for the accuracy and completeness of the schedule.

9. The contract must not be sublet.

10. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or, in the event of absence of any partner, it must be signed on his behalf by any person holding power-of-attorney authorising him to do so.

11. Any tender not received in order and according to instructions given above in due time will not be considered.

12. If at any time subsequent to the execution of this contract Government materials are to be supplied to the contractor for use in the work, they will be charged at the market rate, whichever is greater. No cartage or incidental charge will be borne by Government in connexion with the supply.

13. The tenderer should quote the lump-sum amount not only in figures but also in words.

14. The work should be completed and handed over to the Public Works Department by the contractor within eighteen months after the date on which the site is handed over to him, failing which a penalty of Rs. 3 per day will be levied and will be recovered from the contractor's outstandings till the work is completed and handed over to the Public Works Department.

15. The form of tender, the conditions of contract and the contract documents can be seen at any time between 11 a.m. and 5 p.m. in the office of the Executive Engineer, Godavari Western Division, Nidadavole, from which blank forms of tender can be obtained free of cost. Copies of the contract documents, i.e., plans, specifications and the conditions of contract, can be had on the payment of Rs. 5 for each set.
